We reserve the right to cancel a class.

Short Description of Seminars	
<p>Building Natural Stone Walls, Patios, & Walkways Whether building a stone wall, patio or walkway, you'll need to choose, order and work with your stone. You'll also need to prepare your base and level sand. This seminar is will give you all the basic tips you'll need for a successful project.</p>	<p>Every Drop Counts – with Tina Plant Water is our most important resource. Learn about the main issues surrounding water in our area and what residents can do to help prevent the damage urban-run off is causing in our lakes, rivers and streams. Learn where grant information can be found, too.</p>
<p>Water Garden Winterization At Hedberg, we'll show you options for over-wintering pumps, plants and fish. With Minnesota's severe winter climate, you'll want to follow our professional tips.</p>	<p>Fire Pit Construction It's just six easy steps to build your own fire pit using a 36" corrugated fire ring. Whether you use small boulders to surround your fire ring or pavers, you'll be up and running in no time. We'll show you how.</p>
Short Description of Events	
<p>Join us Thursday, October 6 at our Hedberg-Stillwater location for a FREE Fall Festival from 4 pm to 7 pm. We'll be roasting hot dogs, corn and marshmallows. There will be a pumpkin carving contest, face painting, flower pot arranging, fire pit demos and deep discounts on all remaining plant material at the Hedberg Nursery. RSVPs are very much appreciated. Please call (651) 748-3158 to register.</p>
